NAME OF THE ORGANIZATION
NAME OF THE DEPARTMENT

Who we are

What to write:

The background information about the organisation (department) in order to provide a potential partner with information about your experience, also please provide your mission/vision.

How to write:

It is recommended to point out the unique selling points of your organization (team) here. Maybe even plans for the future.

Capacity of information:

~ 400 characters with spaces.

Collaboration interests

What to write:

Please specify what kind of collaboration in EU Programs you are interested in. You can specify (1) the programs you are interested to participate in (for example HORIZON Europe, LIFE) (2) development/activity fields you would like to co-operate in (3) specific countries you are looking for partners from, etc. Please also write your possible role in the collaboration (co-coordinator, major partner, technology provider, end-user tester etc). If you have initial or concrete proposal idea /ongoing project you are looking for partners to, you could mention it.

How to write:

Here the specific collaboration needs could be mentioned.

Capacity of information:

~ 500 characters with spaces.

Development Areas

What to write:

Please list your main development&innovation activity areas but also sectoral interests can be included. If there is available future research plan that differs from the current one, you could also list the areas you are planning to focus on in the future.

How to write:

Just a list in bullet points should be written here.

Capacity of information:

Preferably 5-8 areas.

Main achievements

What to write:

Important awards, investment, developments of unique products/services, patents, innovations, etc. to stress the outstanding results of your innovation competencies.

How to write:

If possible, several words (not longer than one sentence) for 1 achievement (up to 3 main achievements are recommended to write here about). If there are many achievements, please only name them. Maybe some of them is reasonable to write in „Reference project“ section, for example. In general, the stress on the most brilliant and vivid achievements should be done in this section.

Capacity of information:

Up to 3 achievements.

Reference projects

What to write:

1-2 sentences about organization's experience in research and development projects (how many EU + other international or national (R&D) projects, what kind of roles).

How to write & capacity:

Selection of 4-5 sample projects: acronym and title/topic of the (R&D) project + the organization's role/input to the project.
