Dear Parents and Guardians,

The Annville-Cleona School District will administer the annual Pennsylvania System of School Assessment (PSSA) beginning on April 24, 2025 and continuing through May 6, 2025. These tests are intensive assessments used to measure your child's mastery of the required curricular standards in both English Language Arts and Mathematics (grades 3-8) and Science (grades 5 and 8) as prescribed by the Pennsylvania State Board of Education.

ELA

Testing will occur on April 24th, April 25th, and April 28th. We will begin promptly at 9:00 and end close to 10:45, however students will remain until finished with each day's exam.

Math

Testing will occur on April 30th and May 1st. We will begin promptly at 9:00 and end close to 10:45, however students will remain until finished with each day's exam.

Science (Fifth Grade Only)

Testing will occur on May 5th and May 6th. We will begin promptly at 9:00 and end close to 10:45, however students will remain until finished with each day's exam.

Your child will need to arrive at the school by 8:45 am. You are responsible for providing transportation for your child to and from school on each testing day. Your child may be finished early but will be required to stay until that day's test is complete. Please reach out with any questions.

Kind regards,

Rebecca Hoover
