

2024 WASHINGTON STATE DEMOCRATS LOBBY DAY

The bills listed below address the Legislative Priorities of the Washington State Democratic Party. We ask for your support to enact these bills into law and fund these programs for Washington State during the Legislative Session.

Environmental Protection and Climate Change

- **HB 1368**: Requiring and funding zero emission school buses
- **HB 1589**: Supporting Washington's clean energy economy and transitioning to a clean, affordable, and reliable energy future

Universal Health Care

- **SJM 8006**: Requesting that the federal government create a Universal Health Care program
- **ESB 5241**: Changes to the operations and governance structure of participants in the health care marketplace to help preserve access to reproductive and gender-affirming health care

Affordable and Attainable Housing

- **HB 2114**: Improves housing stability by strengthening the landlord-tenant act
- **ESHB 1998**: Legalizing inexpensive housing choices through co-living housing

Increasing Voter Participation

- **HB 1932**: Shifting general elections for local governments to even numbered years to increase voter participation
