Activity

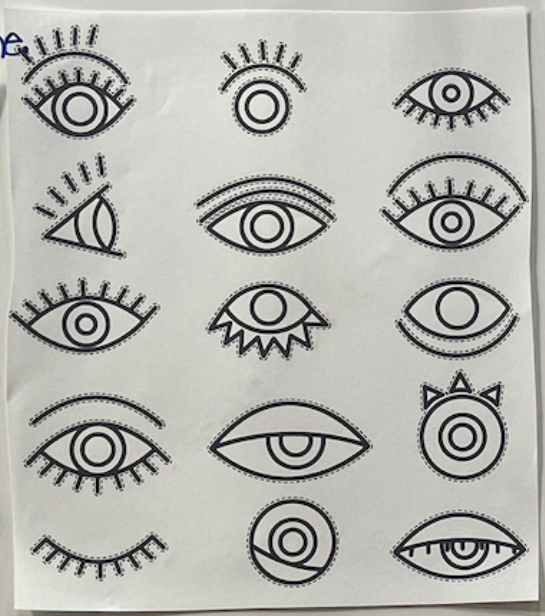

Explain: Today we get to make our own version of Picasso's Bouquet of Peace (show visual)! When we do this, remember that the materials we use are our tools. One tool you will us is an oil pastel. You will use pencils and oil pastels to create your own artwork.
Model:
1. First, I will trace my hand with a pencil.
2. I will trace the pencil with black marker.
3. I will add stems with oil pastel.
Oil pastels can be used like crayons, or you can gently push down on them to add texture.
4. I will add flowers.
-I'm going to start with a circle in the middle. I will outline the circle, color it in, and then I am going to add other colors by gently pushing down the oil pastel.
-I'm going to add petals.
Students work:
Remember Artist always sign their work!
Assist students in tracing and go around showing students how to use the oil pastels.
Finished early? Students can roll a Picasso.
