

Dragonmax Safety Issues for BRCC Board Consideration:

1. **Budget request for the purchase of AED to be kept in the shed** (Melany to give recommendation). Estimate \$1,500.
<https://americanaed.com/aed-solutions/business-aed-package>
2. **Develop and Codify Safety Procedures:**
 - a. See linked Draft of DM protocols (sent to Phyllis for comment)
<https://americanaed.com/aed-solutions/business-aed-package>
 - b. Develop a system for medical and non-medical incident reporting and follow-up
 - c. Develop a system for record retention
3. **Budget request for CPR/AED/1st aid training for all coaches and steerspeople on all teams.** Estimate \$1,800-2,100 for the first year plus additional coaches/steers and renewals in two years.
 - a. Bay Area CPR - Megan 415-218-1330
 - i. \$60 for CPR/AED/1st training 3-4 hour class + \$50 travel fee
 - ii. No rescue breathing, yes to chest compressions
 - iii. Sept 18th at 9:00 the Marina is available
 - b. Adams Safety 925-371-8435
 - i. \$ 60 for CPR/AED/1st Aid training 3-4 hour class
 - ii. They will do it at the marina
 - iii. No rescue breathing, yes to chest compressions
 - iv. Suggest a late afternoon/evening class as the only Saturdays available are Sept 4th and in November.
