GPB Education

[GPB Education](#)

GPB provides unique, no-cost digital resources and training for all Georgia educators and students.

[GPB Education YouTube](#)

Many of the videos from our resources are available as playlists.

[GPB Virtual Reality](#)

Our archive of virtual reality recordings including new additions to our virtual field trips and a partnership giving students access to Georgia College's recordings.

[VIRTUAL FIELD TRIPS](#)

Part of our Georgia Studies COLLECTION, these experiences include a chronological exploration of US history from a Georgia perspective.

[PEACH STATE POLITICS](#)

GPB reporter Stephen Fowler is covering the legislative session and lawmaking process for the first time, and answers like "Who's in charge of taxpayer money?" or "What's all the fuss about Georgia's voting machines?"

[LIGHTS. CAMERA. BUDGET!](#)

Designed to help middle and high school students learn, study, and review financial literacy topics, this online game also allows them to practice their budgeting skills.

[THINGS EXPLAINED: POLITICAL EDITION](#)

Four episodes of our explainer series are focused on Georgia's political system including legislative districts, midterm elections, the race for governor and how governors operate in office.

[SHOTS IN THE BACK](#)

GPB original podcast series about the largely unknown Augusta, GA riots of 1970.

[PBS LearningMedia](#)

PBS offers FREE, standards-aligned videos, interactives, lesson plans, and more for teachers like you.

[American Archive of Public Broadcasting](#)

A collaboration between the Library of Congress and member station WGBH housing nearly 70,000 digital items (40,000 hours).

PBS LEARNINGMEDIA

[BROWSE BY SUBJECT: SOCIAL STUDIES](#)

STRATEGIES

[A COLLECTION OF OUR FAVORITE STRATEGY SITES](#)

Access hundreds of micro strategies from multiple organizations to deliver engaging instruction in the classroom, be it physical or virtual.

[JAMBOARD: TRUE FOR WHO?](#)

Students can manipulate a live series of sticky notes based on a preset strategy like this one that asks them to consider perspectives and arguments.

[PADLET: COMPASS POINTS](#)

A realtime, interactive whiteboard for media where students and teachers can post and react to strategies like this that ask for opinions.
