

**AGREEMENT**  
**WALLINGFORD BOARD OF EDUCATION**  
**And**

---

*This Agreement ("Agreement") is entered into on this [REDACTED] day of [REDACTED], 2021, between the Wallingford Board of Education (the "Board") and [REDACTED] ("Contractor") (collectively, the "Parties") for the purpose of identifying the obligations of the Parties relative to the confidentiality of student data.*

For the purposes of this Agreement, "directory information," "de-identified student information," "school purposes," "student information," "student records," "student-generated content," and "targeted advertising" shall be as defined by Conn. Gen. Stat. § 10-234aa.

1. All student records, student information, and student-generated content (collectively, "student data") provided or accessed pursuant to the contract are not the property of, or under the control of, the Contractor.
2. The Board shall have access to and the ability to delete student data in the possession of the Contractor except in instances where such data is (A) otherwise prohibited from deletion or required to be retained under state or federal law, or (B) stored as a copy as part of a disaster recovery storage system and that is (i) inaccessible to the public, and (ii) unable to be used in the normal course of business by the Contractor. The Board may request the deletion of any such student information, student records or student-generated content if such copy has been used by the operator to repopulate accessible data following a disaster recovery. The Board may request the deletion of student data by sending such request to the Contractor by electronic mail. The Contractor will delete the requested student data within two (2) business days of receiving such a request.
3. The Contractor shall not use student data for any purposes other than those authorized in this Agreement, and may not use student data for any targeted advertising.
4. A student, parent or legal guardian of a student may review personally identifiable information contained in student data and correct any erroneous information, if any, in such student data. The Contractor agrees to work cooperatively with the Board to permit a student, parent, or guardian to review personally identifiable information in student data that has been shared with the Contractor, and correct any erroneous information therein, by following the amendment procedures outlined in the Board's Confidentiality and Access to Education Records Policy, Policy No. 5125.
5. The Contractor shall take actions designed to ensure the security and confidentiality of student data.
6. The Contractor will notify the Board, in accordance with Conn. Gen. Stat. § 10-234dd, when there has been an unauthorized release, disclosure or acquisition of student data. The Contractor shall provide initial notice to the Board as soon as possible, but not more than forty-eight (48) hours after such discovery ("Initial Notice"). The Initial Notice shall be delivered to the Board by electronic mail to **privacy@wallingfordschools.org** and shall include the following information, to the extent known at the time of notification:
  - a. Date and time of the breach;
  - b. Names of student(s) whose student data was released, disclosed or acquired;
  - c. The nature and extent of the breach;

- d. The Contractor's proposed plan to investigate and remediate the breach.
7. Student data shall not be retained or available to the Contractor upon expiration of the contract between the Contractor and Board, except a student, parent or legal guardian of a student may choose independently to establish or maintain an electronic account with the Contractor after the expiration of such contract for the purpose of storing student-generated content.
  8. The Contractor and Board shall each ensure their own compliance with the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. § 1232g, as amended from time to time.
  9. The laws of the State of Connecticut shall govern the rights and duties of the Contractor and the Board.
  10. If any provision of the contract or the application of the contract is held invalid by a court of competent jurisdiction, the invalidity does not affect other Connecticut Commission for Educational Technology Version 1.0 provisions or applications of the contract which can be given effect without the invalid provision or application.
  11. The Contractor acknowledges and agrees to comply with the above and all other applicable aspects of Connecticut's Student Data Privacy law according to Connecticut General Statutes §§ 10-234aa through 10-234dd.
  12. The Parties agree that this Agreement controls over any inconsistent terms or conditions contained within any other agreement entered into by the Parties concerning student data.
