The Rocket Community Challenge Seattle Grand Prize Rules

These Seattle Grand Prize Rules are subject to the Official Rules posted here:

<https://www.rocketcommunitychallenge.com/p/rules>

1. GRAND PRIZE CHALLENGE PERIOD

The Challenge launches on August 3rd, 2026 at 12:00 p.m. ET and ends on August 28th, 2026 at 04:59:59 p.m. ET

2. HOW TO WIN

The top three (3) organizations that raise the most eligible dollars will win a Grand Prize.

An organization must have a minimum of ten (10) unique donors to be eligible to win a Grand Prize. A unique donor is defined as a donor that has entered in an email address distinct from any other donor who makes a donation to the same nonprofit. An individual that makes more than one donation to a nonprofit's campaign will only count as one unique donor. Donors may check a box to make their information anonymous from the public and that will not affect the unique donor determination. Any attempts to abuse or mask email addresses in order to increase donor count will result in disqualification from the Challenge. An organization may not have more than 75% of their total donations attributed to a single unique donor. If a unique donor's total contribution accounts for more than 75% of the total raised, every donation over 75% of the total raised made by that unique donor will not count towards a grand prize.

3. PRIZES

There will be three (3) winners, who will receive the following prize amounts toward their respective Campaign(s):

1st Place: \$10,000

2nd Place: \$6,000

3rd Place: \$3,000

Each participating organization will be eligible for one (1) Grand Prize, along with two (2) applicable Bonus Challenges. Once an organization has won two (2) Bonus Challenges, they will be ineligible for future Bonus Challenges. Please note: funds awarded through Bonus Challenge #1 (All-Market Match), the Small Organization Bonus, and Golden Ticket Week **do not** count towards the two Bonus Challenge limit.

The prizes are non-transferable by the winners, and no substitution of prizes are offered, except at the sole discretion of the Sponsor. All prize details not specified in these Official Rules will be determined in Sponsor's sole and absolute discretion. In order to receive a prize, winners may be required to provide proof of identification or eligibility. Winners will be solely responsible for all federal, state and/or local taxes, and for any other fees or costs associated with the prizes they receive, regardless of whether it, in whole or in part, are used. All prizes are awarded "as is" and without warranty of any kind, express or implied (including, without limitation, any implied warranty of merchantability or fitness for a particular purpose). Delivery will be via Automated Clearing House ("ACH") payment or via check to the address the winner has on file with the IRS. Delivery will be made within sixty (60) days after the Challenge has ended. Neither Sponsor nor Mightycause are responsible for lost or stolen checks, prize utility, quality, damages of any kind during shipping or anytime thereafter. The delivery date within sixty (60) days after the Challenge has ended will be determined by Sponsor.

Conduct and Compliance

The Challenge is a benefit of the generosity provided by the Sponsor. Participating nonprofit organizations are expected to conduct themselves in the spirit of the campaign by abiding by these Official Rules or other instructions of Sponsor or Mightycause. Any entrants that are found to be manipulating or exaggerating their results to secure a prize by utilizing deceitful or duplicitous behavior including but not limited to, forged email addresses, proxy donations, and donating on behalf of a donor, may result in disciplinary action. The Sponsor reserves the right to disqualify an organization that does not abide by these rules from a specific Bonus Challenge, the overall Challenge and/or any future Challenges. Any disqualification decisions will be made at the Sponsor's sole and absolute discretion.

4. SELECTION AND VERIFICATION OF WINNERS

Real time leaderboards will be available for tracking during the Grand Prize Challenge Period, but the results and prize winners are not final until verified by the Mightycause platform and announced as final no later than five (5) days after the challenge is complete. In the event of a tie, the winning organizations will be determined by the organization that has the most unique donors during the Grand Prize Challenge Period. A unique donor is defined as a donor that has entered in an email address distinct from any other donor who makes a donation to the same

nonprofit. A unique donor will be counted as a unique individual. If an individual makes more than one donation to a single organization throughout the length of the challenge, they will still only be counted as one unique donor for the purposes of this bonus challenge. Donors may check a box to make their information anonymous from the public and that will not affect the unique donor determination. Any attempts to abuse or mask email addresses in order to increase donor count will result in disqualification from the Challenge.
