

ASVAB

Spring 2024

Dear Parent/Guardian,

This year on February 6, 2024 all Jasper High School 10th graders will be completing the free ASVAB Career Exploration Program (CEP), a comprehensive career exploration program that harnesses the power of the world's most validated aptitude test paired with a tried-and-true interest inventory empowering and motivating young people to explore their career options and make a post-secondary plan as individual as they are. There are other career exploration programs out there, but none quite like the ASVAB CEP. This unique opportunity enables young people to explore careers in the context of their skills and interests, understand all of their options, and to plan for the path of their choice. The ASVAB CEP is sponsored by the Department of Defense with a two-part mission: to provide a career exploration service to U.S. youth and qualified leads to military recruiters. The CEP is offered at no cost to participating high schools as a public service. In the last five years, the ASVAB CEP has helped over 3 million students in more than 13,000 schools accurately identify their strengths. Participation is always voluntary and participants have no obligation to the Military or to speak to a recruiter. For more details about the ASVAB CEP movement, visit the ASVAB CEP website (www.asvabprogram.com), Facebook page (www.facebook.com/ASVABCEP) or follow @asvabcep and the #OptionReady and #WhatsYourDreamJob hashtags on social media. If you have any questions please contact Assistant Principal, Bianca Chapman, via email bianca.chapman@pisd.edu.

Sincerely,

Jasper High School Administration

ASVAB

Primavera 2024

Estimado Padre / Tutor,

Este año, el 6 de febrero de 2024, todos los estudiantes de décimo grado de Jasper High School completarán el Programa de exploración profesional (CEP) de ASVAB gratuito, un programa integral de exploración profesional que aprovecha el poder de la prueba de aptitud más validada del mundo junto con una prueba probada y verdadera. Inventario de intereses que empodera y motiva a los jóvenes a explorar sus opciones profesionales y hacer un plan postsecundario tan individual como ellos. Hay otras exploraciones profesionales. Programas que existen, pero ninguno como el ASVAB CEP. Esta oportunidad única permite a los jóvenes explorar carreras en el contexto de sus habilidades e intereses, comprender todas sus opciones y planificar el camino de su elección. El CEP de ASVAB está patrocinado por el Departamento de Defensa y tiene una misión de dos partes: brindar un servicio de exploración de carreras a jóvenes estadounidenses y pistas calificadas para reclutadores militares. El CEP se ofrece sin costo a las escuelas secundarias participantes como un servicio público. En los últimos cinco años, el CEP de ASVAB ha ayudado a más de 3 millones de estudiantes en más de 13.000 escuelas a identificar con precisión sus puntos fuertes. La participación es siempre voluntaria y los participantes no tienen ninguna obligación con las Fuerzas Armadas ni con Habla con un reclutador. Para obtener más detalles sobre el movimiento ASVAB CEP, visite el sitio web de ASVAB CEP (www.asvabprogram.com), la página de Facebook (www.facebook.com/ASVABCEP) o Siga a @asvabcep y los hashtags #OptionReady y #WhatsYourDreamJob en las redes sociales. Si tiene alguna pregunta, comuníquese con la subdirectora, Bianca Chapman, por correo electrónico bianca.chapman@pisd.edu.

Atentamente,

Administración de la escuela secundaria Jasper

Opt-Out of Score Release

January 22, 2024

Dear Parent/Guardian,

Jasper High School will be administering the ASVAB assessment instrument, which is part of the ASVAB Career Exploration Program (CEP) on February 6, 2024 at 9am. This test is an invaluable tool to help your student with his/her future educational and career plans.

The ASVAB CEP will help your student:

- To learn about themselves and the world of work
- Explore occupations in line with their interests and skills
- Develop an effective strategy to realize their career and education goals

One of the ASVAB scores is the military entrance score/ Armed Forces Qualification Test (AFQT) which your student can use to explore career options in the military. **Even if your child's scores are released to the military, by no means is your child obligated to military service.**

Each school determines the information released to the military services as a result of participation in the ASVAB CEP. Your child's school has elected to release scores to the military.

Your child's ASVAB CEP scores will be released to the military unless you choose not to have their scores released. Complete this form to "**opt out**" of military recruiter contact.

By submitting this form, you are choosing not to have the student's test scores released to the military as a result of participation in the ASVAB Career Exploration Program. Please sign and complete the information below, and return to Assistant Principal Bianca Chapman.

Note: The Every Student Succeeds Act (ESSA) (formerly, No Child Left Behind (NCLB)) requires the release of all school directory information to the military, regardless of ASVAB CEP participation. **This form does not serve as an 'opt out' of the release of student's personal information to the military required by ESSA. Students may be contacted by a military recruiter even if they do not participate in the ASVAB CEP.**

I, (parent/guardian name) _____ request that the ASVAB CEP scores for (student's name) _____ **not be released** to the military recruiting services.

Signature of Parent/Guardian _____ Date _____

Thank you,

Bianca Chapman, Assistant Principal
