

Day 9

Use this document as a homepage as this will contain all of the links you need for the suggested activities.

1.) Use the following link to access the **Comma Rules** Google Slides.

a. [Comma Rules Practice](#)

2.) After reviewing the Google Slides linked above, complete the worksheet linked below. If you wish to type directly onto the document, you will need to create a copy. (To create a copy, click “File” at the top left corner of the Google Docs screen, and you will see a “Make a Copy” option. Click that, and you should be good to go.
