

SMG4 Most Memey Adventures Collection Wrap Around Segment: Rainy Day Memories

NOTE: This is not affiliated with SMG4 & GLITCH Productions in general, this is a fun, silly idea I've had in the back of my mind for a while now. This is me mostly being silly, anyways:
Hope you all enjoy!

Intro/The Cake Is A Lie!

We open on a shot of the SMG4 Castle in the middle of a huge thunderstorm, Depresso is trying to get in but is struck by lightning trying to get inside, we then cut over to 3's Coffee & Bombs where we see the gang held up inside while waiting for the storm to blow over

SMG3: I can't believe you all scrambled into my shop when all the power went out in the castle!

SMG4: 3, be reasonable here. Some of them can't function without electricity.

SMG3: Right~, anyways can you just please not try and blow up my shop?

Meggy: We're not gonna.

SMG3: You never know!

Mario: I'm bored.

Luigi: Mario, we've been here for like 30 seconds.

Mario: I know, but I'm bored! There's no TV!

3 then starts scribbling something down

SMG4: 3, what are you doing?

SMG3: Making a reminder to install a TV so that way, if I get stuck inside with you all in the event of another storm, Mario won't drive me nuts!

Everyone then looks at 3

SMG4: Calm down 3.

SMG3: Well could you do something to keep Mario from going crazy?

SMG4: Like what?

SMG3: I dunno, tell him a story or something!

3 leaves as 4 walks over to the table Mario is sitting at

SMG4: Hey Mario.

Mario: You gonna tell me a story?

SMG4: How did you know that?

Mario: I heard you two yapping over there.

SMG4: Fine. Here goes nothing.

We then fade into the original “The Cake Is A Lie!”

Account Loss

We fade back into the cafe

Mario: Wow, no wonder you’re so ashamed of your first video Glitchy.

SMG4: Shut up Mario.

Meggy: Well, why not talk about the day you guys met?

SMG4/Mario: Which one?

Meggy: What do you mean which one?

SMG4: Oh right, you weren’t here for most of the Genesis Arc. I guess I could start from back in the day, when I first spawned into the castle.

We then fade into “Account Loss”

Who Let The Chomp Out?

We fade back into the cafe

Meggy: That sure was eventful.

SMG4: Yeah, I'm not too proud of my older videos for a multitude of reasons.

Meggy: Don't be like 4. I'm sure you guys had some pretty wacky adventures back then.

A lightbulb then goes off in both 4 and Mario's head

SMG4/Mario: THE CHAIN CHOMP!

Meggy: The Chain Chomp?

SMG4: Yeah, the Chain Chomp!

We then fade into the original "Who Let The Chomp Out?"

R64: Freddy's Spaghettia

We fade back into the cafe

Meggy: Whoa... the castle burned down?

SMG4: Yeah, it happened a lot. Still kinda sad it's gone now...

Mario: Yeah... anyways, Mario's got another really funny story to tell.

SMG4: What is it?

Mario: *serious tone* It's about that time I worked at Freddy's.

We then fade into the original "Freddy's Spaghettia"

R64: Return To Freddy's Spaghettia

We fade back into the cafe

SMG4: No wonder you got fired.

Mario: Shut up! I didn't even get my free spaghetti!

Toad then comes up and sits down at the table the three are at

Toad: What are you talking about?

Mario: I just got done telling them about that time I worked at Freddy's.

Toad: You mean one of the times you worked at Freddy's?

Mario then yeets Toad across the cafe

Meggy: You've worked at Freddy's more than once?

Mario: It's kinda weird in the case of the second time I did it.

We then fade in to the original "Return To Freddy's Spaghettira"

If Mario Was In... GTA V

We fade back into the cafe

SMG4: You still haven't paid me back for all those coins Chica used to order all of those pizzas.

Mario: Shut up!

Meggy: That's certainly interesting.

SMG4: Mario's got plenty of stories about his time in other places.

Meggy: Really?

SMG4: Yeah, he's gone to some pretty... interesting places. Like GTA.

Meggy: Huh?

We fade into "If Mario Was In... GTA V"

If Mario Was In... Team Fortress 2

We fade back into the cafe

Meggy: How did you ever get back?

Mario shrugs

SMG4: I dunno how he did either.

A knock at the door is then heard, 3 walks over and opens it to see Karen standing in the rain, holding an umbrella in one hand and a big bag of something in the other

Karen: Can I come in?

SMG3: Yeah...

Karen walks inside, complete with Zack, Katie and Cory clinging onto her back

Karen: You three can let go now.

Zack, Katie and Cory jump off of her

Zack: Finally, nice to be out of the rain.

Katie: You said that back at McDonalds.

SMG4: Hold on a minute... what?

Karen: I got food for you all since I figured you'd all be cooped up inside. I take it the power went out back at the castle?

SMG3: Yup... and they all piled in here because I still have power.

Karen: That's good. Powers out back at the house too, you wouldn't mind if we stayed here until this blows over, right?

SMG4: Go on ahead.

Karen: Thanks.

Everyone then raids the bag and begins eating

Meggy: So Red, got any more interesting stories about your time in other places?

Mario: Hm... I got one...

We then fade in on the original “If Mario Was In... TF2”

If Mario Was In... Skyrim

We fade back in on the cafe

SMG4: Wow Mario, you suck at TF2.

Mario: Shut up Glitchy.

Karen: That must’ve been a really interesting experience, especially since those mercs are...

Luigi: Crazy?

Karen: Yeah, that’s the word.

SMG4: Mario’s been to quite a lot of places now that I think about it. Like that time he went to Skyrim to save Peach from a dragon.

Mario: How did you know that?

SMG4: A dragon came in and kidnapped Peach. It wasn’t that hard to figure out Mario.

Mario: Well then, I bet you don’t know what I went through there...

We then fade in on “If Mario Was In... Skyrim”

SMG4 N Pals: Seaside Stupidity

We fade back into the cafe

Mario: I’ll always miss them.

SMG4: Can’t believe a chicken helped you beat a goddamn dragon.

Mario: Yeah...

Boopkins then walks over to the table the three are sitting at

Boopkins: Hey guys, what are you doing?

Mario: Sharing stories about our previous adventures.

Boopkins: Really?

Meggy: Yeah, you can join in Boopkins.

Boopkins: Okay.

Boopkins takes a seat at the table

Boopkins: Hmm... how about the day we met guys?

SMG4: Oh yeah... I remember that.

We fade into “SMG4 N Pals: Seaside Stupidity”

Can Ganondorf Come Out To Play?

We fade back into the cafe

Meggy: You guys fought a sea lord who’s name was... “Asswipe?”

Mario: Well, his name was close to it but yeah...

Bob: Hey what’s up guys!

SMG4 screams like Homer

Boopkins: Oh hey Bob! We were just talking about the day I met SMG4 and the others!

Bob: Ah yes. I remember the day I met you guys as well.

We fade into “Can Ganondorf Come Out To Play”

If Mario Was In... Splatoon

We fade back into the cafe

SMG4: How did you know about the parts you weren't there for?

Bob: Don't ask.

Meggy: You know... all this talk about the days we met reminds me of the day I met Mario.

Mario: Oh yeah... I remember it like it was yesterday.

We fade into "If Mario Was In... Splatoon"

Doki Doki Mario Club

We fade back into the cafe

Meggy: And from there, I met you guys and... proceeded to have loads of trauma, but otherwise it's been great.

Bob: *whispers* Meggy needs to go to therapy.

Saiko walks over to the table and sits down

Saiko: What on Earth are you guys talking about over here?

Boopkins: We're sharing stories about the days we met!

Saiko: Oh... I remember the day we met all too well.

We fade into "Doki Doki Mario Club"

Mario The Ultimate Gamer

We fade back into the cafe

Kaizo: So... that was the reason you terrorized the Mushroom Kingdom?

Saiko: Yup... Luigi eventually helped me learn to chill the fuck out, but yup.

SMG4: I'm still picking shrapnel out of my butt from that one time.

Tari then walks over and sits down at the table

Tari: Hey guys, what's going on over here?

Bob: We're recounting the times we met each other.

Tari: Uh... for the first time?

Bob: Yes.

Tari: I remember the day I met Mario all too well...

We fade into "Mario The Ultimate Gamer"

Legend Of Steve

We fade back into the cafe

Clench: Mario met you because he needed to beat SMG4 in a video game? lame.

Tari then strangles Clench

Tari: Shut up Clench!

Saiko: You guys ever think of how Tari was pretty much the only reason we beat Waluigi?

SMG4: Now that you mention it, yeah... wait a minute, how do you know about that?

Saiko: Just because we were T-Pose Zombies doesn't mean we weren't aware of what was happening.

SMG4 and Mario both go wide-eyed

Mario: Really?

Luigi: Yup, and it was just as awful as you could imagine.

SMG4: Anyways... who wants to hear about the time Steve thought he was Link?

We fade into "Legend Of Steve"

Mario's Challenge

We fade back into the cafe

???: Golly gee! That sure was an interesting story!

Everyone then looks over and sees Shroomy

SMG4: Shroomy? What are you doing here?

Shroomy: I got lost and needed to find shelter from the storm. Plus, I rarely ever see you guys! So, what are you doing?

SMG4: Oh, just sharing stories about our prior adventures.

Shroomy: Oh! That's fun. In fact, I remember the day I met you all!

We fade into "Mario's Challenge"

The Mario Channel: Mario's Jackass

We fade back into the cafe

SMG4: WE RAN THROUGH A DEATH TRAP FOR A MCDONALDS COUPON?!

Shroomy: Yup.

Everyone looks at Mario with death glares before letting it go

Meggy: *grumbles* You're lucky that was years ago Red.

Saiko: Speaking of Mario being a jackass, I remember the time he tried Jackass?

Mario: Oh yeah... probably one of the most fun things I've done... and subsequently one of the most painful.

We fade into "The Mario Channel: Mario's Jackass"

R64: Mario Simulator

We fade back into the cafe

Saiko: It felt nice getting back at you for all of that crap.

Mario: I'll say, I'm still picking stuff outta my butt!

Clench: So Mario, I gotta ask, what kind of games do you play?

Mario: You've seen me play Mario Kart, why are you asking?

Clench: Because I haven't gotten to know you people yet. Mainly because-

Tari then shuts Clench's mouth

Tari: Clench, please shut up.

Mario: Hmm... well, there was one game that made Mario so angry, he had to throw that shit into the sun.

We fade into the original "Mario Simulator"

War Of The Fat Italians 2016

We fade back into the cafe

Tari: Not even I've raged at a game that hard... and that's saying a lot because I don't really rage quit at games I play.

SMG4: That's Mario for ya. He sucks ass at video games.

Mario: Oh you suck ass at games too Glitchy!

SMG4: NAME ME ONE TIME FATASS!

Mario: I CAN!

We fade into WOTFI 2016

GNR: Da Bomb

We fade back into the cafe

Toad: So who even won that?

SMG4: I won that one.

Mario: Bullshit!

SMG4: No Mario, it's just the results.

Before Mario can say anything else, Chris and Swag burst into the cafe and 3 automatically slams the door behind them

SMG3: WERE BOTH OF YOU BORN IN A GODDAMN BARN?!

Chris: Great idea Swag, go outside and chase butterflies right before the worst storm in Mushroom Kingdom history hits!

Swag: Shut up Chris!

SMG4: Hey guys, what are you doing here?

Chris: Me and Swag have been trying to find shelter from the storm for the past fifteen minutes. All because someone wanted to chase butterflies!

Swag: The weather said it was going to be sunny today!

Chris: Can it Swag! Anyways, the storm shouldn't be over for a good while longer... so what are guys up to?

SMG4: Just sharing stories about our past adventures.

Swag then lights up

Swag: Stories?! Chris! I have the perfect story to tell!

We fade in on "GNR: Da Bomb"

Boil The Big Bad Bully

We fade back into the cafe

Swag: And that's how we stopped a bomb from blowing up and killing us all!

Chris then smacks Swag

Mario: They saved the spaghetti factory, thank god.

Clench: *muffled* I overheard you guys talking about the old castle before, tell me, did anything else interesting happen there?

Luigi: Well...

We fade in on "Boil The Big Bad Bully"

If Mario Was... Among Us

We fade back in on the cafe

SMG4: We got a lot of infestation stories about the old castle.

A knock at the door is then heard, Mario goes over and opens it, only to see an Among Us crewmate standing in the doorway, pleading to be let in

Mario: GET OUT!

Mario then kicks the crewmate far, far away and slams the door shut before turning into the Angry German Kid

Karen: What's his problem?

SMG4: Mario doesn't like Among Us very much.

Karen: Why though?

Mario: I'LL TELL YOU!

We fade in on "If Mario Was... Among Us"

If Mario Was In Friday Night Funkin'

We fade back into the cafe

Mario: And that's why I hate Among Us.

Karen: Good lord.

SMG4: Yeah, it's not hard to see why Mario has such a deep seated hatred for it.

Meggy: You know, I haven't gotten the chance to ask yet. Did you guys do anything interesting while I was in Port Aurora... you know, aside from turning my house into a hotel?

Mario: Well... there was this one time I had to help save the head of the Spaghetti Lovers Club.

*We fade into If Mario Was In Friday Night Funkin'***

If Mario Was In Friday Night Funkin 2 Transition

The video pauses on the ending of IMWIFNF1

Meggy: That actually happened?

SMG4: Yup, and to this day I still have no idea what happened.

Meggy: Interesting.

Melony/Whimpu: Would you believe us if we say it got weirder?

Meggy: Go on...

*We then smash cut to the start of "If Mario Was In Friday Night Funkin' 2"***

Bad Stars Back!

We fade back into the cafe

Meggy: You weren't lying, that was weird. What ever happened to those two though?

Mario: I dunno, haven't seen them in a while. I wonder what they're up to.

We cut to the “The End” screen of Mario’s Madness where Boyfriend and Girlfriend are both shown dead

Pico: Well this sucks.

We cut back to the cafe

Karen: Anyways, I once heard that you two defeated Ztar, is that true?

SMG4: Oh him? I honestly forgot all about that guy.

Mario: Yeah, me too.

Karen: So... you forgot about him? Do you both at least remember the time you beat him?

SMG4/Mario: Hmm...

We fade into “Bad Stars Back!”

Wild Wild Mario

We fade back into the cafe

SMG4: Honestly, given how much of a pain in the ass SMG3 used to be, we kinda just ended up forgetting about Ztar.

Karen: I see.

Zack: Hey Mom!

Karen: Yeah Zack?

Zack: What did you do when you guys went to Pee-Pee Island?

SMG4: We didn’t end up going there. We ended up going to a place called Western Spaghetti... we don’t talk about that...

Zack: Why not?

Karen: I’ll tell you kids when you’re all older.

Zack: Aw man.

Mario: Anyways, how about Mario's talks about the other... *whispers* less traumatic *normal volume* time he went to the wild west?

We fade in on "Wild Wild Mario"

Ssenmodnar 12: STOLEN SPAGHETTI EDITION

We fade back into the cafe

SMG4: Luigi has over 20 jobs?

Luigi: How do you think I pay for all the damage Mario does?

SMG4: Fair enough. Mario's caused some pretty massive damage.

Mario's stomach then rumbles

Mario: Say imma hungry...

SMG4: Hey 3, you got any spaghetti?

3 throws a plate of spaghetti at the table everyone is gathered around

SMG3: I have loads of them just to make sure Mario doesn't burn down my shop!

Mario then begins feasting on the spaghetti

Meggy: I always forget just how much Mario loves spaghetti.

SMG4: Oh yeah, I remember about the time he told me about his hunt for the guy who stole it.

We fade into "Ssenmodnar 12: STOLEN SPAGHETTI EDITION"

World Of Craftmine

We fade back into the cafe

Meggy: Remind me never to get between Red and his pasta.

SMG4: Gotcha.

Mario finishes his spaghetti and belches loudly

Mario: Yummy.

The sound of screaming is heard outside, everyone runs over to the front windows and they all see Steve being blown around in the storm

Kaizo: What the hell is that guy even doing?

Luigi: He must be walking his chickens.

Mario: Hey Glitchy, remember when we met Steve?

SMG4: Oh yeah...

We fade into "World Of Craftmine"

Mario Works At McDonalds

We fade back into the cafe

SMG4: And from that day forward, we met probably one of the stupidest people ever to exist. Second only to Mario.

Mario: Hey!

The sound of more screaming can be heard, everyone looks back outside sees Ronald McDonald being blown around like a maniac

Mario: You know... this is reminding me of that time I worked at McDonalds.

Chris/Swag: Oh dear god no...

We fade into "Mario Works At McDonalds"

R64: Stupid Mario Maker

We fade back into the cafe

Kaizo: That Axol guy summoned Colonel Sanders in a tutu to kick Ronald McDonald in the nuts?

Mario: Yup, you never wanted to get on Axol's bad side.

Saiko: Honestly wish you got to meet him Kaizo, he was pretty rad.

Even more screaming is heard as the gang look outside once again and see Wario and Waluigi being blown around as skeletons

Mario: Hey, you guys wanna hear about that time Wario decided to mess with me for almost a whole day?

We fade into "R64: Stupid Mario Maker"

Super Mario Taxi

We fade back into the cafe

Mario: Safe to say, Wario got what he deserved.

SMG4: Yeah...

Clench: So... you ever been employed?

Everyone looks at Clench

Tari: What do you mean by that?

Clench: I was asking Mario if he's ever held a job before. Nothing more, nothing less.

Mario: Mario's had plenty of jobs before! He's never held them long though...

Kaizo: Wow... I actually wanna hear one of those stories.

Mario: Well... I got one!

We fade into "Stupid Mario Taxi"

The Meme Games 2022

We fade back into the cafe

Kaizo: Damn... he really just did that.

Jeeves then slams into the one of the cafe windows

Jeeves: I TOLD YOU NOT TO TELL ANYONE ABOUT THAT!

Saiko: Gimme a sec...

Saiko goes outside and yeets Jeeves far away

Saiko: Have a nice flight, you overgrown kitchen utensil!

Just as Saiko finishes her sentence, the storm stops

SMG3: FINALLY!

3 jumps up from where he's sitting and thrusts the door open

SMG3: ALRIGHT! ALL OF YOU! OUT! NOW!

Saiko walks back in and looks 3 dead in the eyes

SMG3: What?

Saiko: Really? You're just gonna kick us out?

SMG3: I said you guys could stay in here until the storm passed, it's passed. Now out!

SMG4: C'mon 3, can we at least have one last story?

SMG3: I uh... fine. One more story, then all of you get out!

SMG4: Alright... now what should the last story be...

Mario: I got it!

We fade into “The Meme Games 2022”

Ending/Credits

Mario: Yeah... that was fun. We should do it again sometime.

SMG4: Yeah... but you better not have such an ass prize for the winner, got it?

Mario: *chuckles* No promises.

SMG3: Alright, the story's over! OUT!

Everyone groans and piles out of the cafe as 3 begins cleaning, but 4, Mario, Luigi & Meggy stay behind

SMG3: What do you guys want?

SMG4: C'mon 3. Don't act like you didn't at least enjoy some of the stories.

SMG3: Shut up 4... but I would be lying if I said I didn't enjoy some of them. Particularly the ones where you look like an idiot.

Meggy: I see...

SMG3: Oh, one of these days I'm gonna have to tell you guys about that one plan of mine.

Luigi: What plan?

SMG3: Get to cleaning and I'll tell you guys some other time.

SMG4: You mean: “Get cleaning and then get out”?

SMG3: Yup.

Mario: *sighs* Same old, same old.

Meggy: Honestly, I enjoyed sharing tales about our older adventures.

SMG4: Yeah! We should do it again sometime.

4, Mario, Luigi, Meggy & 3 all begin laughing as they get to work cleaning up and the credits roll, with the typical ending theme
