

REMOTE LEARNING RESOURCES

GRADES 6-8 ELA

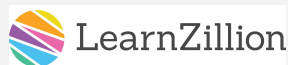

Additional resources may be added to this document in the coming days.

KHAN ACADEMY

<https://www.khanacademy.org/>

Khan Academy is on a mission to give a free, world-class education to anyone, anywhere. Their personalized learning resources are available for all ages. Video learning segments are followed by practice activities.

LEARN ZILLION

<https://illuminations.nctm.org/>

Cloud-based curriculum for K-12 students, focusing on supporting both traditional and blended classrooms.

edcite

<https://www.edcite.com/>

Teachers can help students prepare for ACAP Summative Assessment with digitally enhanced questions and multi-select questions. Teachers can utilize the question bank on the site for any subject matter or build their own questions.

COMMONLIT

<https://www.commonlit.org/>

CommonLit is a website that promotes annotation, text dependent writing, and discussion. It also offers paired reading teacher and parent resources.

COMMON SENSE EDUCATION

<https://www.commonsense.org/education/search?contentType=flows>

Common Sense Education provides educators and students with resources to harness the power of technology for learning and life. It provides excellent resources, lesson plans, and different assessment tools and creative assignments.

THE NEW YORK TIMES

<https://www.nytimes.com/section/learning>

The New York Times provides articles and questions, writing prompts, and lesson plans in all areas that coordinate with The New York Times Learning Network for Teens.

READ THINK WRITE

<http://www.readwritethink.org/classroom-resources/>

Read Write Think is sponsored by the National Council of Teachers of English and provides educators with access to the highest quality practices in reading and language arts instruction.

SHARE MY LESSON

<https://sharemylesson.com/>

Share my Lesson has over 420,000 free lesson plans and activities curated collections for early childhood through high school.

TEACHER VISION

<https://www.teachervision.com>

Teacher Vision has over one million educators that have created teaching resources designed to help students succeed.

TEACHER CREATED MATERIALS

<https://www.teachercreatedmaterials.com/teachers/free-home-learning/>

Over 500 free teacher created resources

TVA STEMready

<http://www.tvastem.com/high-school-lessons/>

Provides K-12 lessons for teachers in every discipline of science about STEM topics.

STEM TEACHING TOOLS

<https://aptv.pbslearningmedia.org/>

APT and PBS have curated FREE, standards-aligned videos, interactives, lesson plans, and more for teachers like you.

APT EDUCATION

<https://aptv.org/education/>

With Alabama school districts closed due to concerns over COVID-19, Alabama Public Television is here to support your education needs. While students are away from the classroom, we are broadcasting and sharing online educational resources and materials that support distance learning, including our award-winning Learning Adventures! In addition, the education broadcast is streaming each weekday from that site, providing an additional point of access to the education content.

EVERFI

<https://everfi.com/k-12/parent-remote-learning/> (parent portal)

100+ game-based, interactive lessons
Self-paced digital lessons equip your child with skills for life: character development, mental wellness, financial readiness, career exploration

<https://everfi.com/k-12/teacher-remote-learning/> (teacher portal)

Resources to Support Remote Learning With Lexile® and Quantile® Measures
Below are links to initial drafts of communication messages that can be edited and modified by states and other webpages and PDF documents that can be passed on to stakeholders via listserv, newsletter, webpage, press release, etc. Please feel free to pick and choose from these available resources and customize the messaging to the context of your state. If you have any questions about the materials or resources please contact the MetaMetrics States Service and Support Team identified at the bottom of this document.

Resources for Educators
