Dear Parents and Guardians,

We value your feedback and invite you to share your experiences with your child's education by completing the School Climate Survey. This survey includes questions about student learning, school safety, interpersonal relationships, the overall school environment, and family involvement. Your responses will help guide our efforts to strengthen student relationships, learning conditions, and school climate.

Beginning Wednesday, March 4, 2026, all parents, guardians, and caretakers are invited to complete the survey. The survey is brief, consists of 21 questions, taking approximately 10–15 minutes to complete and is anonymous. You may access the survey online using your school's unique link below:

SRES Family Survey

BES Family Survey

Please submit your responses by Tuesday, March 31, 2026. If you are unable to access the online survey, paper copies are available in your school office and may be returned to the administrative assistants. Those who complete the survey can fill out a ticket at conferences to be entered into a drawing for a VT Made Goody Prize Basket!

All responses are completely anonymous. There is no way to connect individuals to their answers, and results will be reported only in aggregate form. There are no right or wrong answers—we are interested in your personal experiences. Responses are securely housed in an anonymous format with the University of Oregon Technical Assistance Center projects for evaluation research purposes. All evaluation research projects comply with the Family Educational Rights and Privacy Act (34 CFR 99.31(6)) and human subjects regulations (Protection of Human Subjects 45 CFR 46).

In addition, the School Climate Survey will be administered to students in grades K–5. This student survey is also anonymous and consists of 11-13 questions designed to gather insight into student perceptions of school climate. The data collected will be used to inform ongoing school improvement efforts.

If you do not wish for your student to participate, please email Sandy Tracy (stracy@wrvsu.org) BES or Kylie Hollstein (khollstein@wrvsu.org) SRES by Tuesday, March 3, 2026. If you would like to review the student survey, please email or stop by the school office to request a copy.

Thank you for taking the time to provide this valuable feedback. If you have any questions, please feel free to contact the school. Survey results will be used to help inform strategies, procedures, and programs that support a positive school climate.

Sincerely,
Andra Bowen
Principal, WRVES
