

Generation Fire Communities
A new adventure with Jesus

The Blue Print

What is our Father in Heaven up to??? He is preparing his bride for the coming of the bride groom. Change is sweeping the Body of Christ and is certainly sweeping this nation. And God is preparing a new wineskin - the wineskin is organic in nature , its family , its more than a meeting its community.

It's time for us to take the steps to actually make disciples, to actually love one another as Jesus loved us - Yes Really , Yes Now

We are intentionally asking people to prayerfully consider what is the leading of the Holy Spirit for each and every one of you.

May 2013 - I saw in the spirit small fires burning across many locations over the Southern Part of Australia - These Fires burning were representing spiritual families - they carried a dna for the House

of prayer. What really stood out was a deep love for God. Recently God revealed 7 key things that would stand out and become the blue print. Communities will fuel prayer furnaces, Prayer Furnaces are Hubs for the Body to be coming together. Communities are Families , and this is what will help carry and sustain prayer furnaces.

- A) A passionate community- we are passionate about our Love for Jesus and that being expressed in Song, Art, Dance, Prayer – How we express ourselves in loving Jesus.
- B) A Compassionate Community – We take Jesus to people – His Love, His Presence, His Mercy

, His Grace & His Power to a broken and dying world.

- C) A Lovesick Community – We are lovesick for Jesus – Nothing else matters – It's all about him - This is the Glue to everything we do. We have committed ourselves to a radical lifestyle of Christianity and to seeing night and day – worship and prayer.
- D) A Supernatural Community – We live out as a lifestyle being led by the Holy spirit , moving in his power, healing sick, experiencing his joy , His presence daily. This starts with Baptism – Being Baptized in the Holy Spirit with Fire.
- E) An Apostolic Community – we are about equipping the saints, we are about affirming people into their God given destiny and sending out people as missionaries to establish houses of prayer , new churches/communities. Outward Thinking, Kingdom in DNA.
- F) A Generous Community – A people who love to give because we are in Love with Jesus – And Jesus is generous – He is into abundance.
- G) A Prophetic Community - We place great emphasis to Listening to Gods Voice , Receiving Revelation and passing that on to the Body of Christ. Teaching and imparting the Gift of Prophecy , apply the prophetic in Worship, Prayer, Teaching and evangelism – a community of Forerunners

Once we have all these things in play – it becomes a way of life, and then Intimacy with Jesus becomes the DNA.

Intimacy , Passion, Fire, Presence, Signs , Wonders and Miracles.

So I think all these things could define a Community of Faith / House Church that carries the DNA of Generation Fire.

The teaching and preaching of the word of God – is a vital element to any expression of church. We need to ensure that what we teach and preach is the whole counsel of God.

We should be teaching on all the different attributes to God's Character , His Message , His Ministry.

What about Mission? Prayer Ministry? All these things are apart of the Glue too

We embrace Reformation and Transformation as a goal and apart of organic church is to have organic expressions of leadership

The Keyword is Family - We have got to get the biblical concept of family and once we understand how families work then we can understand what God wants to do through

communities.

The Cottage

A New Door has opened - A Suddenly of God which ties together the Vision of Community. As of Friday 15th November Generation Fire will take on the Lease of the Prayer Cottage in Blaxland this will be come the Base and also office

Altars of Fire had established a Prayer Cottage and had various of groups coming to pray over the last 20months.

Anna Rose McGregor was dedicated here in 2012

The Cottage whether we change its name - that will be revealed.

It has a Living Room plus 2 Smaller Rooms which we can use , plus a Backyard big enough for group activities.

One of the rooms will be multipurpose including an office
