Committee Members:

Jane Matthews, chair

Connie Higgs, member

Amy Lent, member

Misty Peterson, Member

Hazel Sutton, State Parliamentarian

Betty Ashcraft, State President

Committee members were instructed by email and Zoom about reviewing all Idaho DKG chapters' bylaws and standing rules for compliance with the changes to the state documents ratified at the 2023 state convention. All chapter presidents were notified about the necessary revisions and, with the permission of the state president, the due date was moved to March 1 from Feb 1, 2024. By mid-May all 12 chapters had returned their checklists and revised documents and the committee members had reported their findings. Chapters were notified of their compliance or need for updates.

The state president, the state rules committee chair, the state treasurer, and the chair of the finance committee designed a new financial activity permission form to be used by the treasurer to facilitate the transfer of monies in state DKG accounts. The duties of the president, treasurer and finance chair were adjusted in the state standing rules to reflect this. At their April meeting, the executive committee approved the additions. They also heard proposed amendments to the bylaws and standing rules requested by the finance committee regarding a change in dues and dues distribution. The proposed amendments were also e-mailed to every chapter president. These amendments will be voted on by the membership at the state convention in June .
