Childcare Subsidy: SGEU is requesting an increase in childcare subsidy for Graduate Assistants to \$6768 per child. Graduate Assistants may receive one childcare subsidy per year for each child who is under the age of six (6) and not yet attending kindergarten. If both parents are Graduate Assistants, both may apply individually for the childcare subsidy.

Communication of Services: SGEU is requesting that the University provide information to all Graduate Assistants and incoming Graduate Assistants about benefits provided to parents. If the University (or Graduate School) becomes aware that a Graduate Assistant is a parent or will become a parent, it shall provide all information about applicable leaves and benefits provided in this article.

Access to University Childcare Services: Graduate Assistants who wish to use the University Childcare services (*Bernice M. Wright School* and *Early Education and Childcare Center*) will receive priority and will be placed first on the waitlist when enrolling children in these University Services.
