Have you ever wanted to learn more about the Registry of Deeds and how you may be able to utilize their services as a tool in your conservation role? Then this presentation may be for you. Join MSMCP board member Michelle Greene for a Registry of Deeds 101 presentation where we'll review the functions of Registries of Deeds, title and deed basics, how to utilize online search features of registries, and tips and best practices when preparing documents for recording. There will also be time at the end of the presentation for questions and further discussion of the topics covered. Michelle is the former West Newbury and Merrimac conservation agent and has prior experience as an assistant at a Massachusetts title and real estate law office.
