

At All Saints Voluntary Aided Primary School, we embrace our responsibilities under the Equality Act 2010, particularly our duties regarding the Public Sector Equality Duty—to eliminate discrimination, advance equality of opportunity, and foster good relations.

We are also fully committed to meeting our responsibilities concerning The Prevent Strategy, Promoting British Values, Child Sex Exploitation, Young Carers, and other government-backed equality initiatives. Our aim is to provide a framework that supports our commitment to valuing diversity, tackling discrimination, promoting equality, and fostering good relationships between different groups of people. This framework is also intended to address issues of disadvantage and underachievement among different groups.

We recognise that the entire school community working together—encouraging strong, positive relationships between pupils, staff, parents, governors, and other school stakeholders—helps provide the best education and life experiences for all our pupils. In line with our responsibilities under the Public Sector Equality Duty arising from the Equality Act 2010, below are our Equality Objectives for the next four years, which we intend to evaluate annually. We will also publish information regarding our compliance with the Public Sector Equality Duty. Please read our Equality Policy for further details or contact Mrs. Maguire at the school.

Our Equality Objectives 2023-27:

1. To promote greater understanding of neurodiversity issues.
2. To reduce the use of prejudice-based language.
3. To develop our curriculum so that it encourages social cohesion, working with partners across the community.
4. To enhance accessibility and inclusion for students with disabilities.
