Read Romans 5:1-5

1. Make a list of all the different gifts that this passage says God has given to us. How many can you find?

2. Verses 3-5 set up a chain of spiritual growth:

suffering ⇒ endurance ⇒ character ⇒ hope ⇒ not being put to shame

How do the links in this chain work? Why does each one produce the other?

3. Where in your life are you called to endure? How does this passage encourage you in that process?
