Simply the right way to fundraise

## Earn TUITION CREDITS with Raise Right (formerly SCRIP)

### What is Raise Right?

Raise Right is a tuition reduction incentive program that reduces your out-of-pocket tuition through purchases made on everyday items using gift cards offered through Grace.

### How does Raise Right reduce my tuition?

The Raise Right program purchases gift cards from businesses at discounted prices. Cards are sold to you at face value and the discount is returned to Grace. Grace keeps 4% of the rebate for administrative costs and the remainder is returned to families as a tuition credit on your next year's tuition.

### How much can I earn?

Grace families earning Raise Right credits reduced their tuition by an average of more than \$600 last year by using Raise Right for everyday purchases like gas and groceries. Some facilities save more than \$1,000! Using Raise Right for special purchases like home improvements, Christmas/Birthday gifts, vacations, entertainment, clothing and electronics can help you earn even more!

Purchase	Rebate	Earn
Groceries \$600	4%	\$21.60
Gas \$300	4%	\$10.80
Dining & Entertain. \$300	8%	\$21.60
Home Improvement \$200	4%	\$7.20
Dept. Store \$200	3%	\$5.40

### CONSIDER THESE OPTIONS

- Accounts can also be set up for future families before children are enrolled at Grace and the money is held until the child starts school!
- Raise Right can also be used to help pay tuition at any of our local Lutheran high schools!
- **What if I don't have a Grace student?** What you earn by participating in Raise Right can be allocated to another family in need of tuition assistance or general school funds. Raise Right is a wonderful way to help others!
