Dear RAM Families,

Welcome back to school as we know it today. We hope each of you are remaining well and safe. The way we do many things has changed over the last few months and effected every area of our lives. This is also true for the Rolesville PTSA.

In the wake of social distancing and the ban on large gatherings, it is probable and unlikely that we will be able to hold our largest fundraiser, “Reindeer Days”. The funds from this fundraiser support activities throughout the rest of the school year. Remaining hopeful that we will be able to sponsor activities in the Spring of 2021, we are asking each family of RHS to **donate \$10 per student.**

By collecting funds now, we can ensure that the funds are in place and ready to sponsor Spring activities. In addition to supporting students and teachers at RHS throughout the year, an activity bus is in critical need for use by all student groups and PTSA would like to be a significant partner in this purchase so your support is greatly needed. We appreciate and thank you for supporting our RHS PTSA Parents’ Contribution “No Fuss” Fundraiser.

These are the ways you can contribute:

—Send a check made out to RHS PTSA and in memo line write: “No Fuss Donation”

to: Rolesville High School PTSA/1099 E. Young St. /Rolesville, NC 27571

—Cash (send to RHS PTSA/1099 E. Young St. /Rolesville, NC 27571; please include a note with your name & no fuss donation in envelope)
