1. Read the following passage then answer the questions: (9)

Omar and Rania are visiting their grandfather's olive farm. Some olive trees are very old but farmers can harvest olives from them. Rania and her grandmother are in the kitchen. They are talking about olives. Olives are very useful. We eat them and we make olive oil. We use olive oil in some medicines and we make soap. There are millions of olive trees in Palestine. Some of these trees are more than 150 years old. Lots of them are in the north of Palestine. Palestinians were growing olives here more than 5000 years ago.
