**PUBLICATION CONSENT TO PUBLISH AN ARTICLE**

I, the undersigned below:

Name :  
Affiliation :  
Email :  
Article title :

Hereby, declare that:

1. This scientific article is my own work or with a team, and its content is original or free from fabrication, falsification, plagiarism, duplication, fragmentation, and copyright infringement of data/content.
2. I am one author signing on behalf of all co-authors of the article with their consent and having obtained their informed permission.
3. I have no a competing interest to declare
4. No funding was received for the research reported in the article
5. This article has never been published elsewhere and is not being considered by any journals
6. My co-authors and I have read and understand the list of rights retained by authors, and we agree to the general terms of publication, including the terms and conditions specified in the publishing policies of Verdict: Journal of Law Science.
7. My co-authors and I understand that the right of authorship belongs to the authors of the articles; the authors remain the full rightsholders of the content. The authors transfer the rights to use the article (including the use and distribution of the article in Open Access) to the publisher of the journal. At the same time, the publication consent to publish an article is irrevocably.
8. If any research misconduct occurs later, the author(s) will bear full responsibility.

Place, Date/Month/Year  
Corresponding Author,

*Signature*

**[Full name]**

### **\*\*Policy for Completing the Publication Consent Form\*\***

1. The publication consent form should only be signed by Corresponding Author.
2. The signature can be in PNG/JPG format (white or transparent background)
3. The author needs to remove the phrase “team or my co-authors” if the scientific article is sole author (only one author)
4. Point number 3 needs to be edited if there is a competing interest in the article:
  - I have a competing interest to declare: ....
5. Point number 4 needs to be edited if there is funding for the article:
  - The research reported in the article was funded by: ....
6. The maximum number of authors is five.
7. Please, submit the publication consent form in PDF format
