◇ PROJECT ◇

| @Emiraryu |

Some Questions and answers about the project !

Q1. what's the project about ?

Rad interview exchange students edition or RIESE for short is a project Idea I had since last year just never had the chance to hold it because of exams and university issues , now that I'm free I would like to hold this friendly project and have some fun with other artists and their MCs/self inserts ^^ the idea is making a video interview by Little D leaf of the exchange students asking each one of them 1 questions about their life / relationships / experiences in the devildom so far !

Q2. How can I participate ?

Simply by opening the google form and answering the questions there ! All artists and MCs are accepted !! ❤️

Q3. Is there a limit to participation ? Any deadline ?

sadly I can only have around 20-25 guest artists for this one ! Dont worry it's not by first come first serve after the application period is closed the artist will be picked randomly if the submissions are above 25 ! And if the project faced success and a lot of people liked the idea I might even have a second season of it ! Who knows ~

Q4. When the application peroid closes ?

7 days from launching !! So july 14!

Q5. If I got picked what am I supposed to do ?

All you have to do is draw your MC/Self insert answering the question that will be assigned to them and record your voice because you will be voicing your mc/self insert

However if you are not an artist you can participate by commissioning the art of your MC/self insert !

You can draw your MC alone , you can draw them with their favorite character , you can even have a short smol comic about it (maximum 3 panels) more informations will be discussed once the artists are chosen !

Q6. What's are the questions for the project ?

I have a couple of them ready but the questions will be revealed and discussed with the guest artists chosen ! 🍷 once you are picked I will send you by your twitter DM / Email the discord group where all the discussion of the project is gonna happen !

Q7. If I'm not not an artist can I participate somehow ?

In fact ? Yes !!! I'm looking for editors people who knows about photoshop and video editing because I know nothing about all of that .. they will be taking the panels putting it together with the voice files and make the videos

BUT ! I know how much this can be a lot of work so I'm offering for the people who want to join as video editors to either get paid or I can draw their MC/self insert myself in the project ! ⚠

DM me in twitter if you want to participate as a video editor !

Q8. The deadline for submission of the art and voice ?

After the 7 days application period ended and invitation is sent to the picked artists they have 2 weeks (14 days) to submit the voice file and the art !

Any further questions feel free to DM me ! ❤
