

CCE Models Product List Sept 1, 2020

- Decal sets and etched brass details are physical goods that will be shipped from stock upon payment. Out of stock items will be made to order and shipped ASAP.
- Models and “Kits” are digital content and many include added details such as trucks and couplers attached to a base via sprue.
- S&H for decal sets and etched details: \$1.50 per order via USPS Mail services in North America.

Our designs are optimized for 3D printing by Shapeways using:

- Smoothest Fine Detail Plastic
- “Print Anyway” selected; Shapeways will most likely reject the model unless "Print Anyway" is used.
- Other printing methods or materials may be feasible however success is not guaranteed. Licensee may modify file if desired to print, etc.

File may be saved and used by the original purchaser indefinitely subject to the following license:

Digital content sold by CCE Models has a strict non-commercial, personal use only license. You shall not share, sub-license, sell, rent, host, transfer, or distribute in any way the digital or 3D printed versions of this object, nor any other derivative work of this object in its digital or physical format, including, but not limited to modifying this object to represent other versions (kit-bashing) or changing the layout to print or reprint part of the design. The objects may not be used in any way whatsoever in which you charge money, collect fees, or receive any form of remuneration.
