

Song 1

People Of The Sun by Rage Against The Machine

Yeah people come up

Yeah, we better turn tha bass up on this one
Check it, since 1516 Mayans attacked and overseen
Now crawl amidst the ruins of this empty dream
Wit their borders and boots on top of us
Pullin' knobs on the floor of their toxic metropolis
But how you gonna get what you need ta get?
Tha gut eaters, blood drenched get offensive like Tet
Tha fifth sun sets get back reclaim

Tha spirit of Cuahtemoc alive an untamed
Now face tha funk now blastin' out ya speaker, on tha one
Maya, Mexica
That vulture came ta try and steal ya name
But now you got a gun,
yeah this is for the people of the sun

It's comin' back around again!
This is for the people of the sun!
It's comin' back around again! Uh!

It's comin' back around again!
This is for the people of the sun!
It's comin' back around again! Uh!

Song 2:

Cortes The Killer by Neil Young

He came dancing across the water
With his galleons and guns
Looking for the new world
In that palace in the sun.

On the shore lay Montezuma
With his coca leaves and pearls
In his halls he often wondered
With the secrets of the worlds.

And his subjects gathered 'round him
Like the leaves around a tree
In their clothes of many colors
For the angry gods to see.

And the women all were beautiful
And the men stood straight and strong
They offered life in sacrifice
So that others could go on.

Hate was just a legend
And war was never known
The people worked together
And they lifted many stones.

They carried them to the flatlands
And they died along the way
But they built up with their bare hands
What we still can't do today.

And I know she's living there
And she loves me to this day
I still can't remember when
Or how I lost my way.

He came dancing across the water
Cortes, Cortes
