CC BY NC SA

Title in English in Times New Roman 12, bold, centered, without a period; it should not exceed 20 words and should not contain abbreviations, acronyms, or initialisms

Title in Spanish in Times New Roman 11, respecting the previous style, but without using bold

Authors' contributions

The identification of authorship roles will follow the order shown, assigning each author their corresponding role and omitting those roles that are not applicable in each case. Use the initials of each author. For more information, visit https://credit.niso.org/. In this section, the information should be presented as follows:

Conceptualization:
Data curation:
Formal analysis:
Acquisition of funds:
Investigation:
Methodology:
Project Management:
