

Daniel Goldfarb School Supply List

The Clark County School District provides necessary supplies for all students in order to meet their educational needs. However, we know that sometimes parents choose to buy school supplies for their child. Should you decide to do this, the following are items which would be appropriate for your child's grade level.

All students need 1 standard size backpack (no mini-backpacks).

In grades K, 1, and 2 most supplies are typically shared within the classroom.	In grades 3, 4, and 5 most supplies are typically shared within the classroom.
