

Mission Statement

St. Paul Lutheran School exists to nurture our school families with God's Word, to guide them in applying their faith to their lives, and to joyfully share the good news of our salvation with the world around them. Proverbs 22:6—"Start children off on the way they should go, and even when they are old they will not turn from it."

From the Principal

Snow in the air and snow on the ground is a good reminder of some important dress code reminders highlighted in our handbook. Please be mindful of the following:

- Shorts and capris may be worn during the months of August, September, October, April, and May (Not November through March)
- Hats, caps, or hoods may not be worn during the school day in the building
- When the temperature is under 50 degrees F, students in grades 3K-8 will be asked to wear something to keep them warm (jacket, sweatshirt, sweater, hat, mittens, etc.)
- Appropriate footwear must be worn during the winter months. This includes a pair of boots or a second pair of shoes.

Please take a few moments at home to reiterate the importance of coming to school prepared to learn by wearing and/or bringing the appropriate attire.

Parent conversations

Being a Christian parent is challenging. Although we have a wonderful resource in God's Word, the Bible doesn't always answer our parenting questions with black and white answers--and neither does "Parent conversations." What "Parent conversations" does provide is real-life perspectives from parents who are struggling with the same questions as you. You can find the latest article and archive [here](#).

Shadow Program & Family Tours at FVL

Students in seventh and eighth grade are welcome to visit our campus to shadow this year. Students will be paired up with current freshmen who share their academic and co-curricular interests. Please allow 3 days notice for shadow requests. You can register for shadowing [here](#). If shadowing doesn't fit into your schedule, let us know. You can also [register for a family tour](#).

Spelling Bee Coordinator

Time is running out. As initially reported in the September 28 edition of the Eagle, we require a spelling bee coordinator. Without one, we will not be able to host an internal spelling bee or compete in the regional spelling bee.

Built on the Rock Update

Work continues to make the building weathertight with windows going in at this time. In addition, there is excavation for an expected basketball court next to the activity center entrance.

Call Updates

Mr. Brennan continues to deliberate his call to Divine Savior in Florida. Please keep him in your Prayers. Mr. Wellhoefer has accepted his divine call, issued on October 29, to serve as our 5th-grade teacher and Assistant Athletic Director. Please keep both men in your prayers as they continue to serve their Lord.

School News

Athletics

Both Cheer and Basketball practices are well underway.

(Visit our Fox Valley WELS Athletic League website fvwal.org to learn more.)

Technology

We have made the network switch, there are a few issues we still need to smooth out. This is a common occurrence when switches happen and there is a varying degree of age difference among devices. We remain working on getting our Mitel consultation with Heartland Business Solutions officially set up as well.

Junior Choir

We sing on November 12 in the late service. We will warm up at 10:10 in Mrs. Bakeberg's classroom, and then sit as a choir in the balcony.

Extended Learning

Just a reminder and encouragement to please sign up for a conference spot with Mrs. Blum and Mrs. Plitzuweit, in addition to your children's classroom conference. If you are not sure if this applies to you, you should have been contacted directly from the extended learning team through Talking Points. If you did not receive a direct message, you do not need to sign up. We look forward to meeting with all of you!

PTO

If you have not done so already, and are done selling, please turn in your money to the teacher, and make sure your name is on the envelope. If mint was a popular flavor that you sold, we do have more if you would like to sell them!

PTO is selling Texas Roadhouse peanuts in the concession stand for \$1.00! On the bag, it also has a coupon for a free appetizer at Texas Roadhouse! All profit from the peanut sale goes right back to the school! Come buy a bunch! You could use them for stocking stuffers.

This Friday, November 3 at 6:30 pm is movie night! Come watch 'How to Train Your Dragon' right in the school gym! All students get a free bag of popcorn and a bottle of water. Other concessions will be sold starting at 6:00 pm. Movie starts promptly at 6:30 pm, so make sure to get there early to get your spot!

Classroom News

7 & 8-Mr. Brennan

Please take time to check your parent teacher conference time slot, there have been a few instances of people signing up with the wrong teacher. Also report cards went home last week, please send the report card envelope back after signing it. I will be offering a Study Hall of ELA primarily on Monday's and Friday's from 3:30 pm to 4:15 pm. This is to help students who are struggling and for those who may have been absent during the week and need to catch up.

Mission Statement

St. Paul Lutheran School exists to nurture our school families with God's Word, to guide them in applying their faith to their lives, and to joyfully share the good news of our salvation with the world around them. Proverbs 22:6—"Start children off on the way they should go, and even when they are old they will not turn from it."

6-Mr. Jammer

Parent/Teacher Consultations are scheduled for this afternoon/evening, November 2, as well as next Tuesday, November 7, and Thursday, November 9. Please sign up if you haven't already done so. In art, we're practicing one-point perspective drawings. Congratulations to our Grade 6 honor roll students.

5-Mr. Wellhoefer

We have moved onto finding the products of decimals for our next math topic. In ELA we have been comparing the Maya civilization to our culture today, and it's been interesting learning about some of the similarities. With the fall sports underway there is more activity in the locker rooms on a daily basis. Our students are asked to bring in a lock for their gym shoes, and they should let me know what the code is in case they forget.

4-Mrs. Hepner

We are starting a few new topics this week. In math, we are starting division. In science, we are beginning to study topographic maps. In writing, we are working through research for our informational writing. As a reminder, we sing this week at the 8:00am service. Students will sit with parents and then walk up to the front when it is time to sing.

3-Ms. Broring

This week we're starting our next chapter in social studies which focuses on the question, "What Is Our Relationship with Our Environment?" We are also starting something new in science as we move on from exploring motion and matter to studying water and climate. As a reminder, third and fourth grades sing this week at the 8:00am service. Students will sit with their parents and walk up to the front when it is time to sing.

2-Mrs. Bakeberg

We have finished our study of Martin Luther and Christopher Columbus. Second graders love learning about people from our history! Spelling words are something that could be worked on a little more at home. Please have your child practice the words throughout the week if you aren't already doing that. See you at the upcoming parent/teacher conferences.

1-Ms. Koenig

November is here! Thank you for signing up for the Parent/Teacher consultations. This week, we are starting our new geography unit in social studies. Ask your child the saying we learned for the four directions on a compass! In math, we have started our new subtraction unit. Please keep practicing spelling words at home.

K-Mrs. Jammer

Thanks for signing up for the upcoming Parent/Teacher consultations on Nov. 2, 7, and 9. We are now on letter L with Superkid Lily. Be sure to practice reading the new words that came home. In Social Studies we are learning where we live (neighborhood, city, state, country, world.)

3K & 4K-Mrs. Zabell & Mrs. Nelson

Thanks for signing up for Parent/Teacher conferences. We look forward to meeting with you. This week we heard how God miraculously rescued his people and how we can call on God for help no matter what! We also enjoyed creating pictures with stickers, sharpies and watercolors and added arches and other materials to our building supplies.
