

Study Schedule - Week of January 16

This student developed a routine, with one subject in each 3-4 hour block: Math 170 in the morning; Chem 111 and 111 lab in the afternoon, and Biology 100 in the evening. Specific assignments are listed in each block at the start of each week. Below is an image of the schedule the student submitted. The next page has an accessible version of the image content.
