Discovery Cube Camp Behavior Agreement

We're a Camp Team!

At Discovery Cube Camp, we want everyone to feel safe, respected, included, and ready to have fun! Campers, staff, and families all work together to make camp a great place to learn, explore, and make new friends.

I promise to:

- 👂 Listen to my camp staff and follow directions.
- 🎒 Respect other people's belongings and ask before touching or using their things.
- 🧹 Take care of our camp space and clean up after myself.
- 🙌 Keep my hands, feet, and body to myself.
- 💛 Be kind and respectful to other campers and staff.
- 🤝 Treat others with care — no hitting, fighting, biting, teasing, bullying, or harassing.
- 🔬 Take care of Discovery Cube exhibits, equipment, and property.
- 🚻 Use the bathroom safely and appropriately.
- 🔇 Use an indoor voice when we are inside.
- 💬 Use kind and appropriate words. No swearing, name-calling, or hurtful words.
- 🚪 Stay with my group. I will always ask a staff member before leaving the area.
- 🌟 Help make camp a safe and fun place for everyone!

What Happens If I Break a Rule?

Everyone makes mistakes! When something goes wrong, staff will help campers understand what happened, make better choices, and try again.

For most behavior concerns:

First Incident → Reminder & Verbal Warning

A staff member will talk with me about the behavior and help me make a better choice.

Second Incident → Parent/Guardian Contact

My parent/guardian will be contacted so we can work together to help me be successful at camp.

Third Incident → Removal From Camp

I may be removed from the program.

Discovery Cube reserves the right to remove campers from the program at any time based on the severity of the concern at the staff's discretion.
