**BUTTER PECAN POUND CAKE**
(recipe from Pam H.)

1 box butter pecan cake mix (Betty Crocker)
1 box instant coconut cream pudding mix
4 eggs
1 cup canola oil
1 cup warm water

Preheat oven to 350 degrees.  Prepare bundt  pan by greasing/flouring.
Combine all ingredients in a large bowl and mix with electric mixer on low for 30 seconds.
Scrape down the sides of the bowl and then continue to mix on medium speed for 2 additional
minutes. Pour into prepared bundt pan.  Bake for 45 minutes or until toothpick tests done.
Remove from oven and cool in pan for 10 minutes.  Then remove from pan and finish cooling.
Glaze or sprinkle with powdered sugar.
