

# Inverted Cairn Schematics

*With great work and maddening sacrifice, it is possible to understand how to build the Inverted Cairn. Turning an unfinished product of something that could be apocalyptic if ever completed, born of Grave-'faith' and the inscrutable Work of The Workers, against them has borne fruit. These schematics detail how to create this inverted monument to the Grave.*

- **Materials:** Requires 3 Cracked Crystals and 4 Psionic Crystals to make.
- **Requirement:** Has to be made in the presence of a Worker.
- **To Build:**
  - Construction must be performed by **at least 3 people, up to 5 total.**
  - **All builders** spend **10mp and 5 Body** and are **treated as faithless for 12hrs.**
  - One lead builder must take the effects of **Downsurge: Can Not Be Null** and spend **1 Resolve** to construct the Cairn.
  - The Inverted Cairn takes **3 Minutes to build, minus 1 minute per additional builder above 3 (to a minimum of 1 minute with 5 builders.)**
  - **Multiply the number of builders by 5** and at the end of construction call **"By My Voice, Psionic: [builders x5] Faithless Bane"**
- **Mechanics:**
  - **Stationary** once created, will disintegrate in a Master Mental Endurance field.
  - Can be activated for **20mp OR 1 Resolve** and taking the effects of **"Downsurge: Can Not Resist Worker Psionics 1 Minute"** to call **"Line Of Sight: Worker, Terror 10 Seconds, Null, No Resist."** Then take **"5 Body"** to Self.
  - If a Resolve is used to activate the Cairn the user may then declare **"By My Voice All Undead: Agony!"**
  - Can not be activated for **1 minute after each activation**, every **5th call** may call **"By My Voice Workers: Activate Master Stealth!"** (Makes the Worker leave for a time)
