

The core stories begin the year by being short, fun and interactive to encourage, support and develop language and attention. As these skills develop throughout the year the books become longer and the stories more developed.

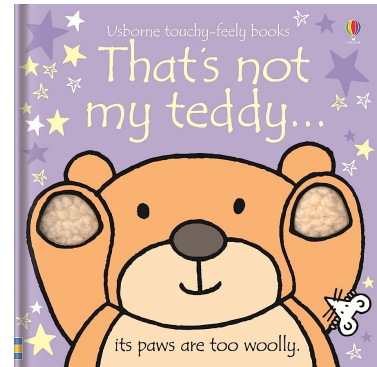

## Core Stories in the Hive

### Autumn 1

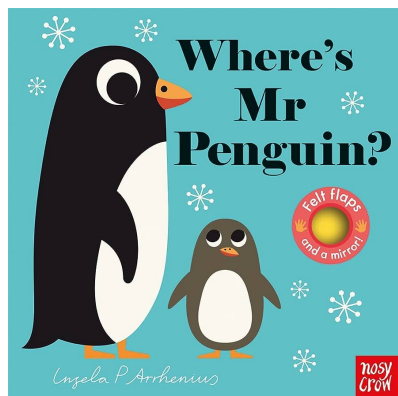

That's not my Bee

### Autumn 1

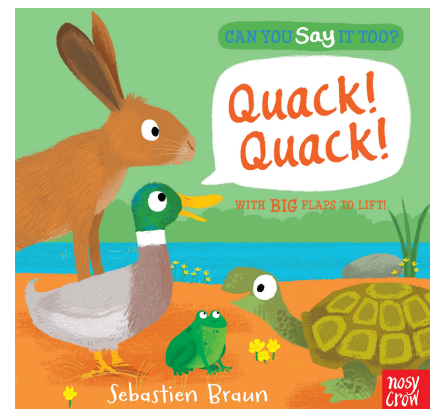

That's not my teddy

### Autumn 2

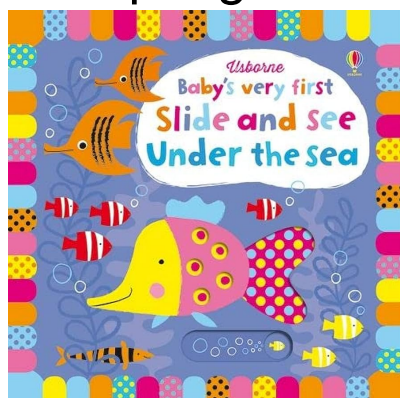

Where's Mr penguin?

### Autumn 2

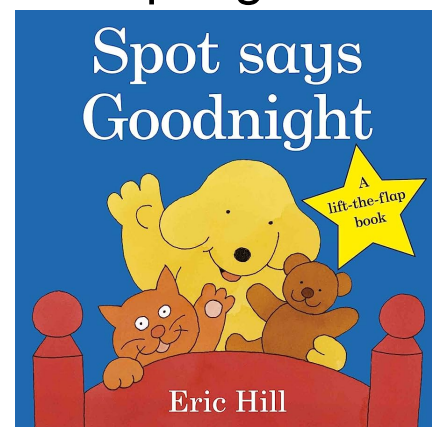

Can you say it too?

### Spring 1

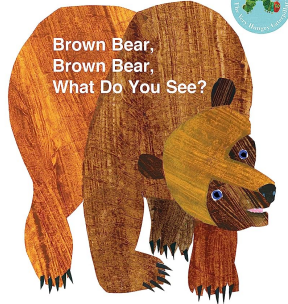

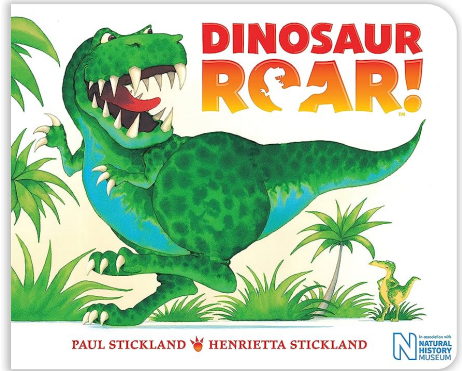

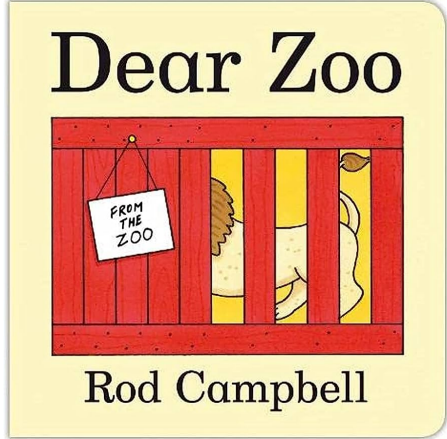

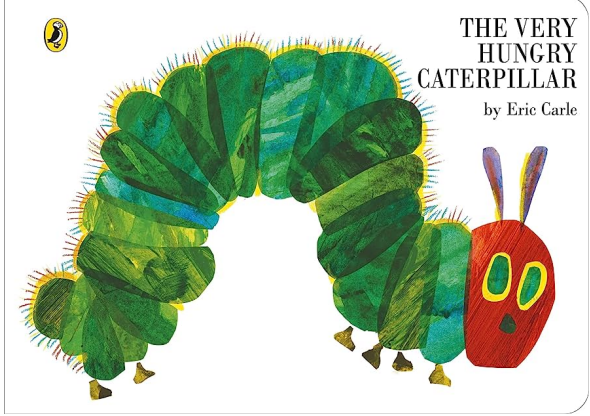

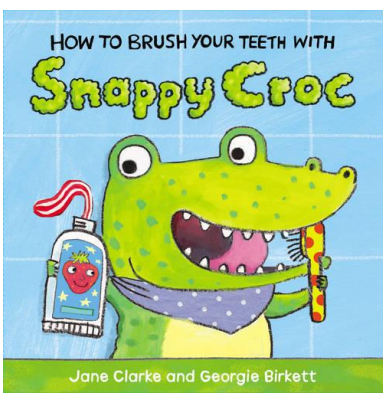

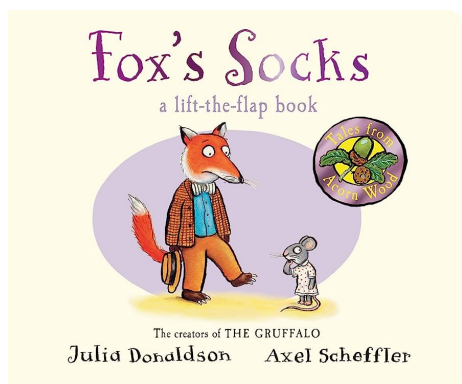

Slide and See Under the Sea

### Spring 1

Spot says Goodnight

|                                                                                                                                      |                                                                                                      |
|--------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|
|                                                                                                                                      |                                                                                                      |
| <p>Spring 2</p> <p>Bill Martin Jr / Eric Carle</p>  | <p>Spring 2</p>    |
| Brown Bear Brown Bear                                                                                                                | Dinosaur Roar                                                                                        |
| <p>Summer 1</p>                                    | <p>Summer 1</p>   |
| Dear Zoo                                                                                                                             | Hungry Caterpillar                                                                                   |
| <p>Summer 2</p>                                   | <p>Summer 2</p>  |
| Snappy Croc                                                                                                                          | Fox's Socks                                                                                          |
