1. Key qualifications and experience Please summarise your experience to date, addressing aspects such as project management, key qualifications, positions held (including leading a research group), and serving on prestigious advisory boards relevant to your role as group leader in the IRA project. How might this experience impact your ability to lead a group at a Center of Excellence?			
2. Scientific achievements Please provide: a. A list of the 3 most important scientific achievements from 22 April 2015 to 22 April 2025, in the field in which the project research is to be conducted, compared to achievements in this field at the world's top research centers. Please include, for example, publications, implementations or patents, distinctions or awards. b. A list of key grants (including the Foundation for Polish Science grants, if applicable)			
a. A list of the 3 most important scientific achievements from 22.04.2025 to 22.04.2025
