

EVENT SUMMARY

Session Overview

The Telescope Network hosted our third Telescope Trivia night of the year on **Friday, June 16**. We had **53 participants** from **23 different schools/departments** join the Zoom session to play virtual trivia.

What is Telescope Trivia?

Telescope Trivia is a virtual or in-person event for educators to connect, unwind, and have fun with colleagues in a highly collaborative and lightly competitive setting. .

Credits
None

Trivia Rounds

Best Graphic Novels: Identify the graphic novel based on the image clue.

Guess That Chip: Identify the chip/snack based on the taste test..

League Champions: Identify the sports league based on the clue..

Guess That Park: Identify the Boston Park based on the map image.

What About Love Songs: : Identify the song based on a clip.

Please share these with friends/students/colleagues. More at tinyurl.com/telescopetrivia.

Winners

- Congrats to the **"Happy Birthday Kelsey"** team for their victory! And congrats to all teams for a very close game--only 10 points separated the first and last place teams.

Participant Feedback

- I HAD SUCH A GREAT TIME!!!! It was amazing to meet my team in-person for the first time and see all the friends I know from zoom IRL!! Plus the trivia rounds were spectacular!!! The chip tasting round was particularly creative and fun! Thank you SO MUCH for the years of trivia work you've done. I hope you know how important these opportunities to connect and blow off steam together are. We love you!!!! Chelsea Hammond (Horace Mann School for the Deaf and Hard of Hearing)
- The Latin Beakers and my family had a great time! It was definitely worth the drive back into the city (I don't live in Boston). Definitely work on the sound issues, but the trivia itself was great. Challenging, but not too hard. Castellanos Ellsworth, Gina (Boston Latin School)
- (Excerpted) As always, the rounds were clever and fun. No complaints there. (Except that we needed an answer bank for those chips! That was SO HARD!) Thanks for putting this together. I hope we can do one in October. That was really a sweet spot in terms of being finished with the start-of-year stress but not yet too deep into the mid-year stress. BTU should hire you to do a trivia night at the building reps conference next year too! Melanie Allen (Hernandez K-8)
