Hoover School Dismissal and Pick-up

- ⇒ **Grades K, 1, and 2:** Students are released when supervising staff sees the parent (face to face). Adults picking up students in grades K, 1, and 2 may not use the pick-up area.

- ⇒ **Grades 3, 4, and 5:** Students are released at the end of the day regardless of supervising staff seeing a designated adult. Parents should discuss with their child(ren) what the arrangement will be for pick-up. Adults may arrange to drive up to the drop-off/pick-up area to meet their children.
 - Adults must drive to the grass circle to meet them. During snowy months, students in grades 3, 4, and 5 will wait on the pavement between the grass circle and the black fence to be picked up.
 - **If your child(ren) is not at the circle when you arrive you must move out of the pick-up area and drive around the block (Glendower to Whitman to Echo) and then reenter the pick-up area.**

- ⇒ You are not permitted to park or leave your car in the pick-up area.
- ⇒ If your child isn't in the pick-up area when you are, you need to leave the pick-up area and drive around the block until your child(ren) is in the circle area.
- ⇒ Never back up your car in the pick-up area.
- ⇒ Do not allow your child(ren) to enter your car unless s/he is in the designated pick-up area, between the white lines.
