<!-- summary --->
```

```
<p class="text-center p-3 font-italic" style="color:#E7A0AF;">Born during a storm,
Krys had life breathed into his tiny body by Selune. In return, he became her cleric, studying
under his father, Wisp Yemi. He lived with his sisters, though after his ex boyfriend led to the
death of almost half of his tribe, he ran away in shame, hoping to find redemption and fight the
ghosts that haunt him.
```

```
<p>Krys has a feminnie build, with wide hips and breasts due to Gynecomastia.He has a flat, wide
nose, big, all black eyes, small tusks for bottom canines, stones imbedded in his skin, and big,
emotive pointed ears. Krys dresses in punk, lolita, and gothic fashion. His favorite color is the
rainbow. Themes around him are clouds, stars, moons, hearts, puppies, spikes, and anarchy.
