

Sprechen - Pronunciation: Family and Relatives

After you listen to the LUs (listen [here](#)), practice speaking them yourself. First, make a copy of this document in your drive (under “File” → “Make a copy”). Then, in your copy, press on “Tools” in the Menu bar above and click on “Voice typing” or click Ctrl+Shift+S. Make sure that the language is set to “Deutsch” and your microphone is switched on.

Record yourself while you read the following words out loud. Place the cursor in the correct row of the table below before you record. Continue on the following pages.
