Dear NAMS Families,

Welcome to the 2021-2022 School Year!

NAMS PTAC is the North Andover Middle School parent and teacher advisory group. Our main purpose is to facilitate a connection and promote communication between our children's school and home. We strive to enhance our children's middle school experience with funding and support for many programs and activities, such as:

- North Andover Schools Enrichment Council bringing educational programs to each NAMS grade
- Direct support to each teaching team, Related Arts Program, Library, Fine Arts Departments, Geography Night and Civics Day
- Year-end activities to provide a special and memorable farewell for our 8th graders
- Staff Appreciation-Winter Brunch in December and Staff Appreciation Week in May

NAMS PTAC relies mainly on direct donations from the NAMS Community to raise the funds necessary to support these programs at the middle school. Our fundraising goal this year is \$20,000.

Please consider making a tax-deductible donation to support the NAMS PTAC. All donations are greatly appreciated and we thank you for your support.
