

Kids Ministry on Sundays

Term Time Sundays: 10:00-11:30

0-5s, Lantern Room

A relaxed session for all children aged 0-5. Parents are welcome to stay but it is not essential that they do so. Following the weekly/termly theme, there will be one or two simple activities set out as well as various age appropriate toys.

Primary Kids, The Hub

A session for all children from Year 1 to Year 6. More structured approach to the termly topic including prayer, an activity, discussion. An opportunity to engage with the rising generation of the St Augustine's church family and develop their understanding of God's teachings.

Children are accompanied over to The Hub and returned to church by those on duty.

All Kids Sundays:

These sessions take place on any Sunday that falls in a school holiday throughout the year.

All children aged 0-11 together in the Lantern Room. Volunteers will be asked to set up games and colouring activities, a film on the TV in the sofa area (optional) and toys for the younger ones. Very informal and playful.

All volunteers need a DBS check.
