

Weighing Material

Tall & Wide – Subtract 14 lbs.

Tall & Narrow – Subtract 10 lbs.

Short & Wide – Subtract 8 lbs.

Short & Narrow – Subtract 5 lbs.

**Large Blue Plastic Barrels – Subtract
18 lbs. + 5 lbs. for the lid/band (if
attached)**

Gaylord – Subtract 75lbs.

This is the responsibility of all material handlers. Write the weight on the label. If the material is more than 50% regrind mark the label as 1R. Print new labels before scanning the inventory. Any material weighing less than 50lbs. should be put into a box that is no taller than 12in.
