Abstract: In this paper, the formatting requirements for the IESL Annual Sessions are described. Please refer this document to learn about the formatting of text, table captions, references, and the method to include the indexing information. The abstract in MS Word format shall be written in compliance with these instructions. The abstract should not exceed 300 words, be presented in one paragraph with no references and should appear on the top of the first page, after the title of the paper and the names of the authors, in a section titled “Abstract” (without section number). Presenting author’s name should be underlined. The word “Abstract” must be Times New Roman, Bold, and 11 pt. The abstract itself must be justified, Times New Roman and 11 pt. The text of the abstract should be indented from left side by 1 cm and right side by 1 cm. The title of the paper must be Times New Roman, Bold, 12 pt. in uppercase. Names and affiliations must be Times New Roman. Names must be Bold and 11 pt. while affiliations must be 10 pt. italic. The email address and the contact details of the corresponding author should be presented after the affiliations in italics 10pt. The title, names and affiliations must all be centralized. The abstract should state the problem, explain the approach to obtaining the solution, and describe the solution itself. It should also summarise key facts relating to the work done, the principal conclusions, and it should convey the overall impact of the work presented.
