Medical Services provided at tournament

Where will the medical staff be at the event

How can teams contact the medical staff (phone, radio)

How will event staff communicate weather, emergency & schedule changes to teams

Any other relevant information specific to your tournament, if applicable (Facility specific weather policies)

USA Ultimate Weather Policy (Facility may have their own policy)

You can find more details and information here: Health, safety, and liability Requirements

For Lightning:

If you hear thunder OR your computer or app shows that lightning has struck within ten miles, suspend activity. If you do not have access to a computer or app that shows the proximity of lightning strikes, suspend play if lightning is seen even if you cannot hear thunder.

For Extreme Heat and Cold:

Refer to Medical Staff Requirements. When the Heat Index reaches 100 F (see NOAA/National Weather Service Heat Index Chart), play must be suspended. In colder temperatures and/or wetter conditions, it is important to be cognizant of conditions conducive to hypothermia.
