

Privacy Policy for Bingo ABC

Last Updated: 2025.6.14

Introduction

This Privacy Policy explains how Bingo ABC ("we," "our," or "us") handles information when you use our mobile application ("App"). We are committed to protecting your privacy and ensuring a safe experience for all users, especially children.

No Data Collection

Bingo ABC does not collect any personal information or data from its users. Our App:

- Does not require user accounts or registration
- Does not collect names, email addresses, or any personal identifiers
- Does not track location data
- Does not use analytics tools to monitor user behavior
- Does not store any user-generated content
- Does not contain third-party advertising
- Does not include in-app purchases
- Does not request access to contacts, photos, or other device data

Offline Functionality

Bingo ABC is designed to function entirely offline. Once downloaded, the App does not require internet connectivity to operate, further ensuring that no data is transmitted from your device.

Device Permissions

The App may request the following limited permissions:

- Audio/Microphone: Only if the App includes voice recognition features, and solely for the purpose of recognizing spoken words within the App. No audio data is recorded, stored, or transmitted.

Third-Party Services

Bingo ABC does not integrate with any third-party services, APIs, or SDKs that would collect user data.

Children's Privacy

We recognize the importance of children's privacy and design our App in compliance with children's privacy laws worldwide, including the Children's Online Privacy Protection Act (COPPA) in the United States. As we do not collect any personal information from any users, including children, no parental consent mechanisms are required.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices or for other operational, legal, or regulatory reasons. We will post the updated Privacy Policy on our website and update the "Last Updated" date.
