

Supply list (All Students):

- 1 [SPIRAL NOTEBOOK](#) w/ pockets and five subjects. It is important to note that we will do a lot in this spiral: writing, notes, journals, etc. This will be used a lot, and it should be brought to class every day. There will be a grade attached to it every nine weeks.
- [Pens/Pencils](#)
- [Highlighter](#)
- [Earbuds](#) - (connected to iPad, not phone) The link attached is just a cheap option that will get the job done when needed in my class. Any will do.
- [Colored Pencils](#) (These will be used throughout the year.)
- [Dictionary Thesaurus](#) I would like all students to have one of these to use. If they make sure to keep them clean, with no writing in them, they can use them on any STAAR test that allows for dictionaries. It is also a very good tool to use in English.
