

2026 PPESA End of Session Policy Priorities Sample Letter

Please use the letter template to handwrite two quick notes, one addressed to each of our Legislative Leaders, urging them to support these important pieces of legislation before the end of the legislative session (June 5th).

Hearing directly from constituents across the state will help drive home the point that New Yorkers are demanding action to protect reproductive freedom! Please send your letters in by May 29th.

Dear Leader Stewart-Cousins **or** Speaker Heastie

As the end of this legislative session nears, I am asking that the Senate and Assembly pass the following bills to protect and advance reproductive freedom here in New York:

- Electronic Medical Records Privacy (A.2613-A /S.1633-B)
- New York Health Information Privacy Act (A.10357/S.9296)
- Creation of the Gender-Affirming Care Access Fund (A.8841-A/S.7924-A)
- Ensuring Continuity of Coverage for Gender-Affirming Care (A.6596-C/S.9275-A)
- *The Maternal Health Dignity and Consent Act (A.860/S.845)*

Our rights and freedoms are under unrelenting attack, and we need New York to continue leading our country forward by enacting strong policies that protect our right to bodily autonomy and our ability to live as our authentic, free selves.

Sincerely,
