

Jake's School Day

Jake is ten years old. He goes to school from Monday to Friday. He wakes up at 7 o'clock every morning. Then he eats breakfast, brushes his teeth, and gets dressed. He walks to school with his sister.

At school, Jake learns English, math, science, and art. His favorite subject is art because he loves to draw. At 12:30, he eats lunch with his friends. In the afternoon, he plays soccer during break time.

After school, Jake goes home and does his homework. Then he watches cartoons or plays with his dog. He goes to bed at 9 o'clock.
