

Fun with Math - Accountability Sheet

Week 8

Due: March 14th

Name: _____

Date: _____

Please check off what you have completed and bring it to class.

☐ I worked on my curriculum goal this week. How are you doing with your goal?

☐ This week I taught and played a math game we learned in class with a family member or a friend.

☐ The game I played was:

☐ How are you feeling about class so far? What have been some of your favorite things? What would you like to see more of?
