MAINS

These are the mains for my muses! Keep in mind that these are NOT exclusives, they are just important portrayals of characters that influence my own portrayal. They are separated by verse and by relation (friends, familial, romantic). I will only have three romantic mains but an unlimited amount of the platonic mains. With romantic mains, I won't mention any romantic relationship in threads where my muse could potentially be shipped with another muse. Instead, I'll only see the platonic version of the relationship. In addition, the first romantic main will be the top priority, and that's USUALLY in a first-come, first-serve basis. I will mention my mains in threads.
If you want to be a main of mine, just reach out to me!!
